

Hi.

My name is Sarah Hugus

I want to tell you about a project that I am calling Sarah's Homeless Foundation. I am collecting for the homeless.

Mommy and Daddy always make sure Ashley and

li are warm and dry. Not everyone has a Mommy and Daddy.

It makes me sad when I know someone is homeless.

There are a lot of homeless families. Families that live in their car or on the street instead of house.

Not everyone wants to be homeless. Sometimes it just happens like if a Daddy or Mommy loses a job.

Sometimes the homeless are sick. My uncle Dale can't work because his brain is sick and if Mommy and us didn't take care of him he would be homeless.

I saw a lot of homeless when I went to the pirate game. It was raining and I ran to my car to get dry but they had no way to get dry.

I want to collect things that will help keep them dry & warm like.... socks and umbrellas and gloves. But they also need blankets and towels and soup.

If you can leave anything in the basket for them I know they will be so happy. Or Mommy will pick anything up.

Thank you and I know god will bless you.

Sarah's homeless speech

Hi. My name is Sarah Hugus. I am going to tell you about a camp that I know and love. Pine Springs Camp. It is my home away from home. Pine springs is a Cristian camp that is fun and you could love it so much too. We learn a lot about Jesus and God and the bible. You can go to camp even if you don't have money. Pine springs has scholarships that you can use to go to camp. My friend Chenan uses a scholarship to go to camp with me and my sister. So you can go to camp and love it as much as I do. Pine springs has great counselors that help and have so much fun with you. You get to make new friends and have so much fun. At pine springs we are all friends it doesn't matter where you live. You can stay overnight and get breakfast, lunch, and dinner for free. They have amazing meals at pine springs made by the timothy team, who take a lot of time to make them for us and make so special. You will never find a camp this special and fun.

The only thing I don't like about pine springs is that I have to leave and wait another year to go back.

Someday I will become the camp director and live there just like Mike. Mike and farmer Greg are the best camp directors and I am going to be just like them.
