## The Dreamland

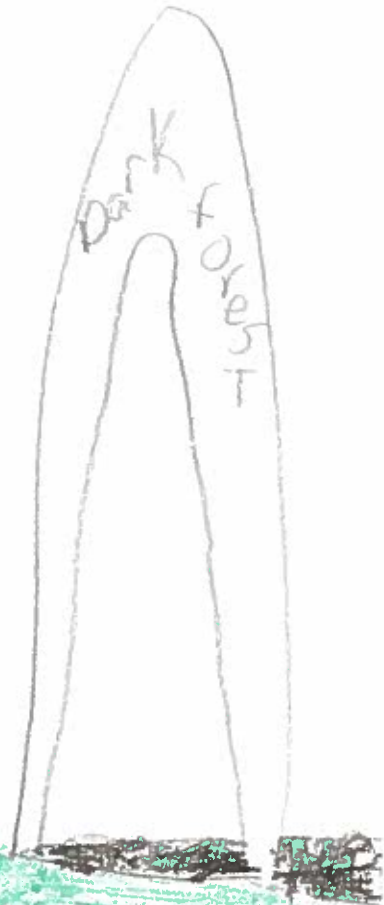

Once there was a unicorn who was adventurous and was always up for a challenge. One day the unicorn was wandering around Unicorn Meadow, she noticed a dark forest and tried to walk into the forest, but someone caught her, her father. "I forbid you to go in the dark forest Penelope!! Why do you want to go into the dark forest her father asked her?". "I wanted to see what it is like in the forest."

He was very upset and he was disappointed with her. Penelope was very upset that her father yelled at her.

Penelope!!

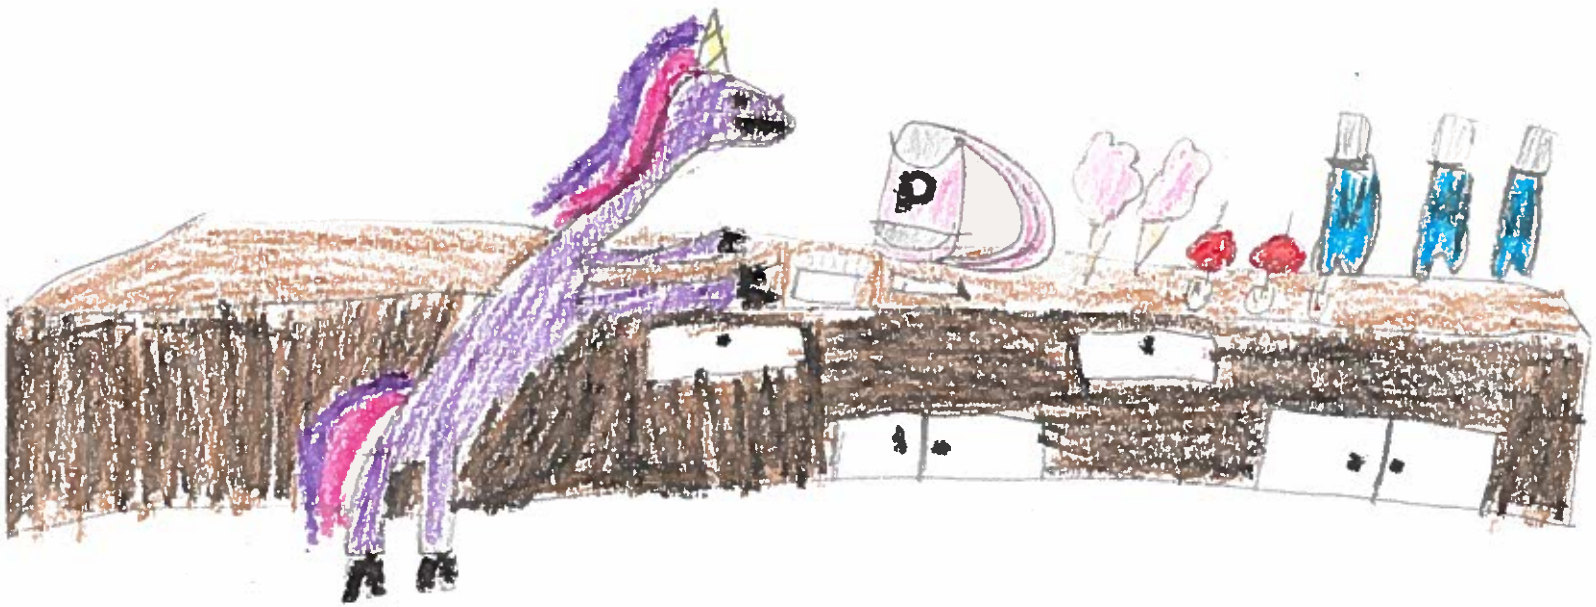

## The Dark Forest

During the night, Penelope was packing to go to the dark forest. She wasn't proud of what she was doing, but she had to prove to her father that he was wrong. After she was finished packing her golden strawberries, apples, cotton candy, and water she realized that she was tacking a big risk in her life.

Before her parents and her little sister Anna woke up, she left her house. She paused for a moment and stared at the wall of pictures of her and Anna, then she left. When she got to the entrance she gulped and went in.

## All Alone

After two days in the dark forest Penelope was getting scared. She was running out of food and no one knew she was in the forest. She was thinking about three days ago in Unicorn Meadow. She was thinking about how she left her home to prove her father he was wrong about going into the dark forest.

If she survived the dark forest she would be a hero to all unicorns. It was hard for her to survive when she was running low on food and without her dad with her. She was getting worried that her sister got hurt and she missed her family.

## The Search

Back in Unicorn Meadow things were bad with the Unicorn Government. Penelope's Dad is the Unicorn President. It did not look good that his daughter did not listen to him. He knew the other unicorns are going to ask why should they listen to him if his own daughter did not.

But that did not matter right now. When her father found out Penelope was missing he was heartbroken and so was her mom and Anna. Her father remembered how he yelled at Penelope three days ago. He thought that's the reason why she left. He felt horrible for how he yelled at her. He was regretting yelling at Penelope. He wished she would come home soon.

## The Wolf Gang

Each day Penelope was alone she got more and more scared. On her fifth day being alone she realized that she shouldn't have left Unicorn Meadow.

During the night, she heard a strange sound it sounded like wolves. When the sound disappeared, she heard a growling sound like the wolves were getting closer and closer. When the wolves saw her, she heard another sound like a hawk. The hawk didn't harm Penelope the hawk protected her. Penelope was shocked, she couldn't believe her eyes. Right in front of her was a unicorn.

## A New Friend

After the hawk scared away the wolf gang she introduced herself.

“Hi, I’m Linda the hawk. I saw you almost getting eaten by those wolves, so I saved you.”

Linda was very kind to Penelope. Thank you for saving me Linda.” Penelope said. Just in case, if those wolfs come back, I will be on your back Linda said, is that ok? Yes, it is ok if you are in my back. I have been very lonely for these past days, it would be nice to have a friend. Linda said it would be nice to have a friend too because everyone runs away from her because she is a hawk and they think that is she is an animal eating monster.

## More and More Trouble

After Linda saved Penelope it was easier for Penelope to survive because Linda could search for food for Penelope, and Penelope could keep Linda happy by telling her stories of her life.

Meanwhile in the dark forest the wolves were getting angry because Linda saved Penelope. They were planning a revenge plan so they can eat Penelope to get revenge on her father for banishing them from Unicorn Meadow before Penelope was born.

## Homesick

After three more days in the forest Penelope was getting really homesick.

She missed her father, her mom, and her sister Anna.

Linda was used to the dark forest because she lived in the dark forest. She lived with her mom, dad, and her three brothers. She was the youngest in her family. She didn't care if her brothers picked on her. Even if she was the smallest in her family she was the toughest. Penelope liked knowing Linda was the smallest in her family she was the toughest.

Home Sick

## The Unicorn Government

Each day Penelope's dad got more and more worried about her. He said, "if Penelope doesn't return in a week then I will send an investigator to find her." A week has past and Penelope didn't return. Her dad sent an investigator to find her. When Penelope was packing to leave, she packed a pencil and notebook just in case if things got really bad. She wrote a letter to her mom. It said;

Dear mom, I left Unicorn Meadow to prove to dad I was brave enough to survive and not die. I've made a friend; her name is Linda. She is a hawk, she is very nice to me. I met her when she saw me when I almost got ate by a gang of wolves. Now we're best friends. We have a special bond after she saved me. She now stays on my back to protect me from the wolves. I got to learn a lot about her since she is on my back a lot.

I miss you, dad, and Anna.

Love, Penelope

## A New Family Member

Two more days later Linda found out that she was going to be a big sister.

Her mom was going to have a baby girl.

Linda was so happy. Penelope was happy for Linda.

Penelope could give Linda tips on how to be a good big sister. Penelope gave Linda lessons on how to be a good big sister. Linda loved taking the lessons because Penelope made them so funny that she laughed so hard she couldn't breathe.

## A Baby Shower

Since Linda found out that she was going to be a big sister she asked Penelope to help her plan a baby shower. Penelope was so excited to help with the baby shower.

They drew what they wanted for the baby shower in Penelope's notebook. They used vines for party streamers, they used mud and twigs to build a sculpture. After they built the sculpture Penelope used her magic to color it and then put glitter on it.

At the baby shower Linda's mom was impressed for what they have done for Linda's baby sister. Linda's mom was happy that Linda cared so much because she wanted a baby sister.

## The Lost Becomes Found

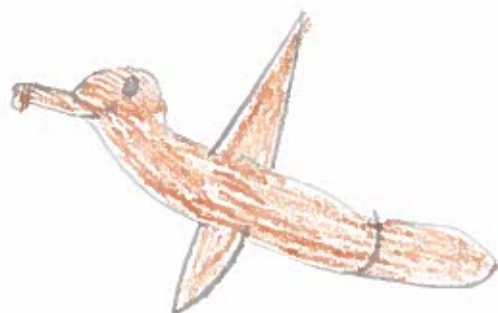

A month after the baby shower Linda was happy that she had a baby sister. Linda was so happy that she wasn't the only girl in the family.

Linda was always looking out for sister, also Linda's mom let Penelope live with them until someone found her.

A few weeks later the investigator found Penelope to take her home. Linda guided them home. Penelope asked her father if Linda and her family could live in Unicorn Meadow. He said that hawks are allowed. So, for the rest of Penelope's life Linda was there with her every day just like best friends should always be.
